- ✓ Curfew hours depend on the age of the student and no exception will be made unless the parents or legal guardian opt for an earlier curfew time through the parental consent form.
- ✓ Students need to follow the host family rules and to communicate any absence or lateness for meals. If these rules are not respected, the student's authorization to go out can be cancelled.
- ✓ Students need to stay with Alpadia staff during classes & scheduled activities & excursions. They can have unsupervised time on excursions; for example to shop or eat independently. This would be during specific/pre-defined times only.
- ✓ Between the end of the afternoon activity and dinnertime on days when this is organized, students can have unsupervised time or enjoy the "Alpadia Lounge".
- ✓ Although students with parental consent can enjoy their freedom on Sundays and evenings, we strongly encourage them to spend as much time as possible with their host families to maximize their immersion experience.
