Studying a foreign language

Make rapid progress with Alpadia.

Our schools offer a modern and effective teaching method delivered by qualified teachers, with well-planned and motivating lessons adapted to all language levels and designed to allow for maximum interaction between the teacher and students.

Effective teaching methods

To achieve the best results:

- a pre-arrival online language placement test is taken so you can start learning at the right level from the first day you arrive at school
- we offer effective and high-quality teaching methods
- a clear and efficient teaching plan is provided
- communication is prioritised with clearly identified objectives and the use of interactive activities
- class size is limited to 12/14 students and 8 students for mini-groups, which means that each student can take an active part in the lessons
- the approach to language teaching is based on achieving concrete, operational linguistic aims, and not on exercises and automatic reflexes acquired out of context
- we help you develop your know-how and be encouraged to use it in practical situations
- various recognised FLE (French as a Foreign Language) and DaF (German as Foreign Language) methods are used, referring regularly to the news as well as other resources available for use in a multicultural class
- teachers encourage students to use the language they are learning as much as possible both inside and outside school in order to maintain full immersion in the language

Qualified teachers

Teachers are chosen for their necessary qualifications and for:

- their experience teaching a foreign language
- their enthusiasm and ability to create exciting and interactive lessons
- the attention they pay to each student
- their lively and personalised teaching style that guarantees long-lasting progress

Course certificate & official exams

Languages for life

Learning a foreign language is a rewarding tool to be used throughout a lifetime. Being able to communicate in another language can provide new professional and personal opportunities, opening doors to foreign cultures and fresh experiences, contributing to career growth and an expansive worldview. Fluency in a foreign language not only gives you the chance to showcase yourself as a global citizen, but can also differentiate you from a pool of potential employees. In a competitive world, knowing another language will certainly give you an advantage over a candidate who only speaks one language.

We look forward to being able to help nurture your investment in foreign language training. With our language learning courses combined with professional and educational experience, you can be sure that Alpadia will be your best ally in developing your language skills and applying them in your daily life.

Your progress with Alpadia

Teaching by European Standards.

Our course structure and level testing are based on the Common European Framework of Reference for Languages (CEFR), which constitutes the European standard framework for foreign language teaching.

The CEFR Grid

After many years of research, the official Common European Framework of Reference for Languages (CEFR) document was published in 2001 by the Council of Europe. It helps determine the candidate's language level in terms of their knowledge in various skills groups.

Six different language levels were defined and serve as a reference in the language learning and teaching sector. An EU Council Resolution recommended the use of this Council of Europe grid to establish systems to determine language ability. Nowadays, it is an essential reference document.

The table below is a summary of the CEFR grid. It shows you the language level that you can achieve during your stay as well as the level required to take one of the official French or German exams offered at Alpadia schools.

Test in French language skills

The TCF is part of the new wave of modern “thermometer” exams. A simple, fast and efficient evaluation gives you a professional validation of your level of French. The TCF is a multiple-choice questionnaire. After the DELF/DALF, the TCF has become the most taken exam in French language schools.

Based on the CEFR for foreign languages, it has already achieved high recognition. Our schools in Montreux and Lyon are official TCF exam centres. The exam is offered 7-8 times a year at each school.

The European Language Certificates

TELC GmbH is a branch of the German Adult Education Association, which is the largest provider of continuing education in Germany. TELC offers German exams for levels A1 to C2, which correspond to the levels of the Common European Framework of Reference for Languages and are recognised worldwide as proof of achievement. German TELC C1 Hochschule is recommended for students entering the Academic Pathway programme.

Our schools in Berlin and Freiburg offer monthly TELC exam preparation courses for levels B1 / B2 / C1. Alpadia Berlin and Freiburg schools are TELC-accredited official exam centres. On request, our accredited examiners come to our exam centres in order to coach students and conduct the exam. We will take care of registering you for the exam.

Test of German as a foreign language

The TestDaF examination and the TELC are the recommended exams for students wishing to enter our Academic Pathway programme in Germany. Comprised of a listening comprehension section, a reading comprehension section, a writing section, and an oral test, this exam takes place five times per year at our Berlin school.

Every participant receives a personalised certificate and gets separate marks for each of the four sections, which gives a more detailed picture of your language skills. The exam

was developed on behalf of the Deutscher Akademische Austauschdienst (DAAD – German University and College Exchange Commission) and the Hochschulrektorenkonferenz (HRK – Conference of University and College Rectors) by a consortium made up of the FernUniversität in Hagen, the Seminary for Language Research at the Ruhr-Universität Bochum, the Goethe Institute e.V. Munich, and the Carl Duisberg Centres GmbH in Cologne.

Promotion of the German language and culture abroad

The Goethe-Institut was created by the German federal government to promote the German language and culture abroad. Goethe-Institut exams are internationally recognised by employers and continuing education institutions as proof of achievement.

German exams offered by the Goethe-Institut correspond to the range of levels of the Common European Framework of Reference for Languages from A1 to C2. These exams are offered on fixed dates in regional testing centres located within direct proximity of the Berlin Alpadia school. Five times a year, Alpadia Berlin offers Goethe Zertifikat preparation courses for levels B2 / C1.

Diploma in French Studies

The DELF (A1 to B2) and DALF (C1 and C2) are official diplomas awarded by the French National Ministry of Education in order to certify skills in French as a Foreign Language. They are made up of six independent diplomas corresponding to the six levels of the CEFR.

Therefore, students have the possibility to enrol directly for the exam of their choice. At each level, the four skills are assessed: writing, speaking, reading and listening. A version designed for teenagers is also available.

Officially recognised in more than 150 countries, the DELF/ DALF diplomas are in high demand in academic and professional fields. These exams are offered five times a year in Montreux and eighth times a year in Lyon on fixed dates, in the regional exam centres located within direct proximity of the Alpadia schools.

As mentioned in the “course” pages, Alpadia offers DELF/ DALF preparation courses for the levels: B1 / B2 / C1.

See what our students have to say!

I chose Freiburg, because I wanted to live in a small, beautiful city. Moreover, Freiburg is the green city of Germany! I like the school a lot, that's why it's the second time that I come here this year. I even have a German family now, with a German brother! They showed me German culture and I showed them Korean culture. There is a lot of cultural exchange between us. Sometimes I even cook Korean food for them. I'm very satisfied with the activities - I take part in every excursion and every week I'm looking forward to see what's next. The activities are varied and they are an excellent chance to get to know the students from other classes. The activity tutor also tells us many things about Germany, so every time I learn new things!

Montreux

The pearl of the Swiss Riviera

Montreux offers a gorgeous setting for a French language course. Located on the banks of Lake Geneva, at the foot of the Alps, the pearl of the Swiss Riviera enjoys an almost Mediterranean climate.

From the palm-lined quays to the intense blues of the lake, from the high summits of the nearby mountains to the UNESCO World Heritage-listed terraced vineyards of Lavaux, interspersed with picturesque villages, everything here contributes to the balanced beauty of the place.

It is no coincidence that this lakeside resort of 30,000 inhabitants has an international reputation. A town of rare dynamism, Montreux offers a very rich cultural, artistic and sporting agenda. Every year, tourists and visitors from all over the world come here to take part in the colourful events that give life to this beautiful area. In July, Montreux sways and dances to the rhythm of the famous Montreux Jazz Festival, while in winter, Switzerland's largest Christmas market bestows a magical atmosphere on the town. Berlin with its numerous parks, forests and lakes exuberantly juxtaposes avant-garde glass-panelled skyscrapers and historical buildings with large green areas that account for around a third of the city, providing plenty of perfect places to enjoy some fresh air.

Berlin's true richness resides in its cultural diversity. Where the cogs of the east and west once sparked together, the unified machine is now running like clockwork, but the creative flames lit by those sparks are burning brighter than ever.

With its unrivalled cultural dynamism, the German capital has become Europe's hippest city. Home to more than 165 museums, 300 art galleries and 150 theatres, Berlin is a kaleidoscope of artistic activity, bursting with creativity and welcoming the most diverse trends. The city centre is filled with famous historical sites, including the remains of the wall that split Berlin in two for 28 years, the Reichstag with its translucent dome, the Brandenburg Gate and Checkpoint Charlie. If shopping is more your thing, take advantage of numerous shops on Ku'damm or Friedrichstrasse. And the cherry on the cake? The city is one of the most affordable in Europe!
